OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 26 September 1962

MR 11732

1. Talked with Dorothy Fesdick in connection with S. 3252, the Communications Reciprocity Act. I gave the general background of the Act and the purpose. I explained the position of the legislation today and inquired if Senator Jackson would be willing to assist with Senator Magnuson on this. Later Miss Fesdick advised that the Senator was very much interested in this and felt that it should be given every possible support. Consequently, since Senator Magnuson is out of town, Senator Jackson moved into the picture consulting with various people including the staff who were conducting the polling requested by Senator Pastore. It appears that these efforts were successful since Miss Fesdick told me that in all likelihood the bill would be reported favorably by the Committee tomorrow.
